Instructions

Understanding Which charges can change at settlement

This GFE estimates your settlement charges. At your settlement, you will receive a HUD-1, a form that lists your actual costs. Compare the charges on the HUD-1 with the charges on this GFE. Charges can change if you select your own provider and do not use the companies we identify. (See below for details.)

These charges cannot increase at settlement:

- Our original charge
- Your credit or charge (points) for the specific interest rate chosen (*after you lock in your interest rate*)
- Your adjusted origination charges (after you lock in your interest rate)
- Transfer taxes

The total of these charges can increase up to 10% at settlement:

- Required services that we select
- Title services and lender's title insurance (*if we select them or you use companies we identify*)
- Owner's title insurance (*if you use companies we identify*)
- Required services that you can shop for (*if you use companies we identify*)
- Government recording charges

These charges can change at settlement:

- Required services that you can shop for (*if you do not use companies we identify*)
- Title services and lender's title insurance (*if you do not use companies we identify*)
- Owner's title insurance (*if you do not use companies we identify*)
- Initial deposit for your escrow account
- Daily interest charges
- Homeowner's insurance

Using the tradeoff table

In this GFE, we offered you this loan with a particular interest rate and estimated settlement charges. However:

- If you want to choose this same loan with **lower settlement charges**, then you will **have a higher interest rate**.
- If you want to choose this same loan with a **lower interest rate**, then you will have **higher settlement charges**.

If you would like to choose an available option, you must ask us for a new GFE. *Loan originators have the option to complete this table. Please ask for additional information if the table is not completed.*

	The loan in this GFE	The same loan with lower settlement charges	The same loan with a lower interest rate
Your initial loan amount	\$	\$	\$
Your initial interest rate	%	%	%
Your initial monthly amount owed	\$	\$	\$
Change in the monthly amount owed from this GFE	No change	You will pay \$ more every month	You will pay \$ less every month
Change in the amount you will pay at settlement with this interest rate	No change	Your settlement charges Will be reduced by \$	Your settlement charges will increase by \$
How much your total estimated settlement charges will be	\$	\$	\$

¹For an adjustable rate loan, the comparisons above are for the initial interest rate before adjustments are made.
